

Action Item

Property Transfer Request

Ionia County residents Chris and Shannon DeBoer have submitted a Property Transfer request to the Ionia County ISD Board for consideration.

This request would transfer their property from Ionia County ISD (*Belding Area School District*) to Kent County ISD (*Lowell Area School District*).

Superintendent Ebenstein has consulted with Lowell Area Schools, Belding Area Schools, and Kent County ISD as to any recommendations to the petition for property transfer. All three school systems have indicated that they do not support the request.

Any decision on the request requires a joint meeting by both the Ionia County ISD and Kent County ISD boards of education for any formal action as this is a two county transfer request.

Recommendation

It is recommended, based on the feedback provided by the other school districts, that the Ionia County ISD Board table the property transfer request of Mr. and Mrs. DeBoer and take no formal action.
