

Medford School Board Meeting  
September 2022  
Medford Elementary – Mr. Carlson

**Celebrations/Shout Outs/Notes:**

Thank you to everyone who had a part in creating a welcoming atmosphere during our Open House (Surfin' Towards Success" this year. We had a great turnout this year and it was great seeing the excitement to start the school year. The food vendors were busy all night and NorthStar Donuts even ran out of mini donuts!

Thank you to the elementary staff for all of their planning/preparation they have put in to get the school year off to an amazing start. I have gone into most classrooms to meet the students and have noticed that all classrooms have at least one new student in it and the majority of classrooms have 2 or more.

We held our back to school celebration in the auditorium and were able to introduce all staff to the students as well as introduce/review our school wide Tiger Pride behavior system with the students.

**Site Team Update:**

We have started to form a committee that will be reviewing/piloting three different ELA curriculums for implementation during the 2023-24 school year.
