---

We are excited about the start to another great school year here at HHS! Even with some of the new challenges and guidelines that we are faced with this school year we are as grateful as ever for the opportunity to work with our students! Together with the efforts of community, parents, family and staff alike we feel that we can provide a top notch education for each and every one of our students! This will be our third year in which we have been afforded a fantastic opportunity to work with PBIS (Positive Behavior Interventions & Supports). We feel that in order to create a welcoming, inclusive culture of family. Our staff and student body will emphasize the characteristics of respect, responsibility, safety, and keeping a positive attitude. The "Homedale Way" will be our guiding slogan as we work to build on our existing Homedale traditions with a new commitment to emphasize our community's core values! With the help of PBIS we hope that this school year is representative of what our commitments are as a school and as a district! Let's make this the best year yet here at HHS!
