Member Glass withheld Items 1.I.2) & 3)

Member Johnston withheld Item 1.A. – Financial Report to ask about an increase in revenue and local sales on the report. Jody LeBlanc, explained that each month the budget revisions are presented and this is a cumulative and he would have to go back and review the individual reports. Member Glass asked if administration is keeping a running total of payments to JCI. Kerry Leider stated that he does have a document with that information on it.

Member Johnston withheld Item 1.F. – WADM Projections to ask about the changes on the report. Bill Hanson explained that the projected shortfall has decreased significantly.

Member Johnston withheld Item 1.I.1) Attorney Use to note his disappointment that the board chose not to pursue the use parliamentary services because he felt it is something the board would benefit by.

Member Glass withheld Item 1.I.2) – Additional Transportation Services to make a motion.

M-Glass, S-Johnston, Resolution Providing Safe Transportation Choices (listed below).

13-Minutes of the Regular School Board Meeting
May 17, 2011

Whereas, the school board of ISD 709 recognizes the need to provide alternate choices of transportation to students attending Duluth's secondary schools in order to participate in activities before and /or after scheduled core-program hours; and

Whereas, all students in Duluth have occasional special transportation needs to participate in activities of their own choosing offered at different school sites and at other locations in pursuit of equal opportunities to complete their comprehensive education experience, and to graduate; and

Whereas, the board of education has supported and offered general and technical secondary education to students living in the central region of Duluth for the past 120 years and plans to discontinue this service after May 2011 causing loss of opportunities, and adding additional hardships for those families; and

Whereas, the school district spends more than \$5 million annually on transportation, costing more than \$3 per day or \$500 per student annually, and will likely have to spend more due to fewer neighborhood schools, and hazards to students who walk;

NOW THEREFORE, BE IT RESOLVED: the School Board of ISD 709 authorizes the use of alternate, safe transportation choices for students be financed to enable all students to participate equally in planned school and quality learning activities of their choice, by using public transportation and/or parent provided transportation.

Discussion took place regarding how the extra transportation would be funded and that administration was still working on this part of it.
