### **Title-September, 2024**

We began the year with Booster groups that started on September 4th. These groups were based on the testing data from the end of last year. We have been reviewing and practicing skills learned last year.

We are right in the middle of completing Benchmark Testing for the Fall. We are holding grade level meetings next Wednesday to determine what changes need to be made to groups and to discuss how we can meet the needs of ALL of our students during our Double Dose Reading block.

We are holding Family Math Night on October 10th. We will serve dinner (Chicken Strips, Fries & Salad) and have many math games & activities taking place in the gym. There will be some giveaways throughout the night, too.

### **Boys and Girls Club:**

\*Not present. No news was reported.

**Teacher Request:** Spring 24, Staff would like to investigate the cost of a mounted projector and larger screen in the gym for assemblies. Held off due to school renovations. Will submit a new ticket for quote.

### **Teachers:**

No new news- spoke to our interventions and assisted with feedback for school wide Title goals.

**Next meeting:** October 21st, 2024
