Re: Recommendation to Award Bleacher Replacement at Churchill High School

I am recommending and seeking approval to award the Bleacher Replacement in the Competition Gym at Churchill High School to Interkal, LLC at a total cost of \$254,128.00.

This project will be purchased through the T.I.P.S. bidding consortium and financed through the Sinking Fund. The bleachers will have a five-year warranty on parts and labor.

The vendor information is as follows:

Interkal, LLC	Kalamazoo, Michigan	\$254,128.00
---------------	---------------------	--------------

Rationale: The current seating at Churchill High School is original equipment from when the building was built and needs to be updated.

Thank you for your consideration in this matter.
