AGENDA ITEM: Consider Approval of Purchase of Public Address System Replacement for Stuard Elementary School

PRESENTER: Brooks Moore, Director of Technology

BACKGROUND INFORMATION:

- Per Board Policy CH (Local), any single, budgeted purchase of goods or services that costs \$50,000 or more, regardless of whether the goods or services are competitively purchased, shall require Board approval before a transaction may take place.
- Included in the 2023 Bond Program was a security line item in the amount of \$5,000,000 for the replacement of aging security equipment. Some examples of this aging security equipment include campus public address (PA) systems, security cameras, and building access control systems.

- Replacement of the aging security equipment for the remaining campuses/buildings in the District will be packaged together and brought to you for consideration at a future board meeting.
