Background Information:

As discussed as part of the Transportation Preliminary Budget, the District is preparing to bring all special education transportation in-house for the coming school year. The first step in this process is to acquire additional transportation equipment. Attached is a breakdown of the equipment that has been identified for purchase which includes a replacement of 5 units with a sell back of the old equipment, the purchase of ten (10) 2018 additional units to support the transition in-house. The District has worked with Midwest Transit to arrange for the purchase and trade-in of this equipment. The total cost of this acquisition is \$584,875 after the trade-in values are considered.
