MOTION TO ADOPT AGENDA

Moved by Commissioner Gilmet and supported by Commissioner Karschnick to adopt the agenda as presented. Motion carried.

INFORMATION ITEM: MAC Administrator Bill Pfeifer notified the Committee the FY2023 MIDC grant contract has been reviewed and approved by the state and will send contract soon. The contract amount for FY22/23 is \$775,167.98 which is up from last year's amount of \$675,423.47. The County portion of the grant went up from \$161,762.81 for 2022 to \$164,640.01 for 2023. The reasons for the increase are the hiring of a social worker in the Public Defender's office and two pending investigation cases; if those cases do not come to fruition, there will be money left over.

INFORMATION ITEM: MAC Administrator Pfeifer presented the MAC Administrator contract for review and approval. Motion was made by Commissioner Gilmet and supported by Commissioner Karschnick to approve the below action item. Roll call vote was taken: AYES: Commissioners Gilmet, Karschnick, and Fournier. NAYS: None. Motion carried.

ACTION ITEM #1: The committee recommends approval of the MAC Administrator Agreement (10.02.22/09.30.23) with MAC Administrator Attorney Bill Pfeifer in the amount of \$1,000 per month with monies coming out of line item #260-282-803 each month on the first day of each month (October 1, 2022 to September 30, 2023). This has attorney review.

INFORMATION ITEM: MAC Administrator Pfeifer presented the Public Defender Contract for review and approval. Motion was made by Commissioner Gilmet and supported by Commissioner Karschnick to recommend action item below. Roll call vote was taken: AYES: Commissioners Gilmet, Karschnick, and Fournier. NAYS: None. Motion carried.

ACTION ITEM #2: The committee recommends approval of the Public Defender Contract (10.01.22/09.30.23) in the amount of \$45,571.92 per month

beginning on the 1st day of each month of (October 1, 2022 through September 30, 2022). This has state approval and attorney review.

MAC Administrator Pfeifer reported as of October 1 the court will no longer be making the determination on who is eligible for counsel; it will be done at the Public Defender's office. In addition, there is an issue with partial indigency and complete indigency and the state set up a framework stating that counties can find that people are partially eligible and order them to contribute a certain amount toward their attorney fees. Administrator Pfeifer will bring back to the next Committee meeting when he has more information. Administrator Pfeifer reported the state is hoping the grant will go through Alpena County instead of both Montmorency County and Alpena County next year to make things easier; more discussion will be had next spring and summer.

INFORMATION ITEM: County Administrator Mary Catherine Hannah presented the updated draft of the Ambulance Fund Policy for review. Language was added around the County Ambulance contractor to provide a list of students enrolled in the courses they will be reimbursed for at the beginning of the class. Class fees have gone up and discussion was made to raise to \$700. Under 911 and private road signs a sentence was added that the local unit of government must approve the name of the private road in their minutes and submit a request for the sign in writing with the minutes to the Commissioner's Office. Discussion from local units has been made as to whether or not the County should assign the roads. Equalization Director Ted Somers reported it is a lengthy process to name roads, and it could be done faster in the Equalization Office. Currently the townships and Equalization both have the authority to name roads. Motion was made by Commissioner Gilmet and supported by Commissioner Karschnick to change the language in the Ambulance Fund Policy and bring back to the next meeting. Motion carried.

Motion was made by Commissioner Gilmet and supported by Commissioner Karschnick to approve the action item below. Roll call vote was taken: AYES: Commissioners Karschnick, Gilmet, and Fournier. NAYS: None. Motion carried.

At the next committee meeting she will be presenting a request for reviewing fees paid to local funeral homes and will ask Lisa Kaspriak from the Medical Examiner's Office to speak to the Committee.

INFORMATION ITEM: Administrator Hannah presented the Ambulance Fund budget for review and approval. In 2022 the budget was amended to put \$155,000 in for an ambulance. They will not spend that this year and are requesting the amount be increased to \$250,000 for a new ambulance in 2023. Administrator Hannah has put \$200,000 in the 2023 budget and would need to increase that another \$50,000. Motion was made by Commissioner Gilmet and supported by Commissioner Karschnick to approve the action item below. Roll call vote was taken: AYES: Commissioners Karschnick, Gilmet, and Fournier. NAYS: None. Motion carried.
