### Principal's General Narrative:

Homecoming week is a very busy time for both students and faculty. Mrs. Hernandez always does a great job organizing the homecoming pep rally and all of the class sponsors are going above and beyond in helping to organize the parade and other homecoming activities. The first six weeks have come and gone and we are seeing a lot of good effort from the overwhelming majority of the students and we are all working hard to encourage the few who need to pick things up a notch to follow through.

I and all the members of the high school and junior high appreciate the time, effort, and wisdom that school board members give on our behalf. We recognize that without the leadership from the school board and Mr. Westbrook our direction of continued and greater success would not be possible.
