RE: CONCUSSION INSURANCE

Member schools were surveyed regarding adding concussion insurance for every MHSA athlete and cheerleader and the response was over 97% in favor to do so. The MHSA Executive Board, is continuing this concussion insurance coverage for all MHSA schools for the 2018-19 school year. This is the fourth year our athletic participants, including cheerleaders, has been covered.

The MHSA, through negotiations with our insurance broker, Dissinger Reed, is able to continue offering concussion insurance for all MHSA athletic participants and cheerleaders at only \$1.50 per student (same premium for three years). The coverage includes:

- Maximum \$25,000 per year
- Benefit Period 1 year
- Deductible \$0 per claim
- Eligible Person all athletes participating in MHSA sports (including cheerleading).
- Covered Activities participating in practice or play of sports sponsored by the MHSA (including cheerleading.
- Definition of Injury: 1) Directly and independently caused by specific accidental contact with another body or object; 2) A source of loss that is sustained while the injured person is covered under the policy and while he or she is taking part in a covered activity; 3) Resulting in a concussion.

The participant's insurance would first be billed and would pay however there would be no out-of-pocket cost for the participant up to \$25,000 per covered injury. For example, if the participant's insurance had a \$3,000 deductible and none of that deductible was met, this insurance would pay the \$3,000 so there would be no out-of-pocket cost to the family. Also, all co-pays would be covered and if there were tests not covered by the primary insurance this insurance would cover all of those costs. The cost per year for schools is as follows:

Enrollment/Premium

0-40 = \$40

41-110 = \$65

111-200 = \$120

201-300 = \$140

301-400 = \$170

401-800 = \$190

801-up = \$225

Again, all MHSA athletes and cheerleaders would be covered, there is no deductible, and the maximum coverage per injury per year is \$25,000. This is a very proactive approach to dealing with the issues of concussion that are nationwide including the threats of litigation in every state. It also demonstrates that each school is being proactive in the event of litigation.

If you so desire, payment may be made along with your Membership Application and Catastrophic Insurance applications.
