ACTION

BACKGROUND INFORMATION:

There has been a need to more clearly define the expectations that govern the cheerleader program. The spirit of the UIL guidelines do the best job of serving as a compass to keep this organization on track. The UIL does not sanction cheerleading. However, our district can decide to use the UIL guidelines to help in managing the cheerleader program.

ITEMS ADDRESSED:

UIL guidelines for our cheerleading program.

RECOMMENDED ACTION:

Approve attached resolution.

BUDGETARY INFORMATION:
