April 12-15, 2012

Dear Orchestra Students and Parents,

The orchestra is planning to **Perform at the South Coast Music Festival** on April 12-15, 2012. We had hoped to go to Boston this year but, were unable to secure enough students to make the trip possible.

The purpose of this trip is to perform for the South Coast Music Festival in Corpus Christi, Texas. We would like to offer a trip so that more students can participate. The goal is to have a minimum of 45 students make a commitment this year, along with at least 4-6 Parent Chaperones. (If we have less than the price increases) All orchestra students are encouraged to participate. It would be great if we had enough students for one advanced group and one intermediate orchestra to perform.

We have worked to make this extremely affordable for all of the DHS orchestra students and parents to participate. The cost will be \$345.00 per student and \$250.00 for adults. We really need your help and support to make this a great experience. Since the Orchestras will be performing **full participation and commitment** from all orchestra students is **Extremely Important!**

Orchestra Students that are **Seniors**: I would really like to encourage you to consider that this will be your last trip together before you graduate. As you can see from the itinerary on the following pages there will be several opportunities for you to spend some quality time together.
