Alpena County Updated Staffing Estimate Dec 10 2020_FINAL.pdf;

Tammy,

Can the Sheriff's Office please be placed on the agenda for personnel in reference to staffing for the new jail? Attached is the staffing plan that was provided to us from Rod Miller who is the consultant we used from NIC. I currently do not have a cost developed for how much new officers would cost but I need to discuss the staffing plan and how it pertains to what type of employees we hire as well as if they would be parttime or fulltime employees. If you need anything further from me please let me know.
