Summary: The District has continually used Trinity Educational Services (under a CTPA contract) for Supplemental Education Instructional & Related Services for Special Education services for NISD

**Background
Information:**

Due to the service obligations and ARD Committee requirements, we have continued to contract with Trinity Educational Services to provide the needed services as Licensed Specialist in School Psychology (LSSP). They have worked very well with the district and came highly recommended from neighboring school districts. They have been able to meet the District's needs on short notice. We have been operating under a CTPA contract adoption through Comal ISD with the option to extend the contract for two additional one-year terms.
