TO: Members of the MVSEC Executive Advisory Board

FROM: Carla Cumblad, Executive Director

RE: Executive Director's Goals for 2011-12

Attached to this memo are the Executive Director's Goals for the 2011-12 school year. I have included comments about the status of each goal for your review. I would suggest that many of these goals will continue into the 2012-13 school year.

After discussion in open session, there will be an opportunity in closed session if you wish to discuss specific performance or suggest additional goals.
