ACTION

**BACKGROUND INFORMATION**

Each year, Campuses and Site-Based Committees review Comprehensive Needs Assessment information and draft revised and relevant Campus and District Improvement Plans. These Plans meet all State and Federal requirements for such Plans and incorporate attention to student performance data that just recently became available in late January. Campus and District Site-Based Decision-Making Committees present these Plans for recommendation to the Board for final approval.

**ADMINISTRATIVE RECOMMENDATION**

Approve presented Campus and District Improvement Plans.
