

# May Maintenance Board Report

177 Work Orders Completed

With summer right around the corner, we have been finishing up all of the scheduling to have another successful summer break!

## Safety Inspections

- Fire Inspections: Testing of fire alarms, extinguishers, sprinkler systems, and compliance with fire codes.
- Bleacher and Gym Inspections: Structural and mechanical checks to ensure safe operation and compliance with safety standards.

## Flooring Projects

- Gym Floor Resurfacing: Refinishing of gym floors.
- McNary Q-4 Floor Replacement: Removal and replacement of flooring in the Q-4.
- McNary West Entry Floor Replacement: Upgrading entryway flooring to enhance durability and aesthetics in a high-traffic area.

## Facility Upgrades

- McNary Bathroom Remodeling: Renovation of restrooms to improve overall condition.

## Summer Cleaning

- Deep cleaning of classrooms, offices, and common areas at all locations.

## 5. Preventive Maintenance

All scheduled preventive maintenance tasks will be completed during the summer break.

- HVAC system servicing and filter replacement
- Plumbing inspections and repairs
- Equipment maintenance
