

POLICY 1240

Emergency Closing of Schools

- A. The Superintendent is authorized to close schools in event of hazardous weather or other emergencies, which threaten the safety of students, school staff members, or school property. **Whenever possible, virtual learning will be implemented to allow education to continue.**
- B. Emergency closures of schools must be compatible with [Utah Admin. Rule R277-419-4](#). Minimum required number of days **and instructional hours** must be preserved or made up prior to the close of school for the current school year.
