

**Memorandum of Understanding
Comprehensive Support of Improvement**

Browning Public Schools

and

Custom Educational Consulting

October 21, 2021

This Memorandum of Understanding (MOU) sets the terms and understanding between Browning Public Schools and Custom Educational Consulting (CEC) to meet requirements of the Montana Comprehensive Support of Improvement (CSI) under the direction of the Montana Office of Public Instruction (MT OPI).

Browning Public Schools is participating in the Montana Comprehensive Support of Improvement initiative. Part of this initiative requires educational consulting to assist in improving math learning outcomes for students in Browning's elementary and secondary schools. CEC is a CSI-approved consultant provider.

Purpose

The purpose of the relationship between Browning Public Schools and CEC is to establish instructional protocols that can improve math learning outcomes for Browning Middle School classrooms.

For 2021-2022, CEC will provide two (2) additional days of math on-site consulting at Browning Middle School by Mary Buck. This consulting will be with district-designated classroom teachers, school leadership, and school coach(es) to establish instructional protocols to support effective implementation of district math curricula.

Custom Educational Consulting

Ms. Buck's consulting work may include, but is not limited to, the following: modeling best instructional practices; modeling delivery of the Reveal curriculum; working with grade-level teams to plan lessons and best support all learners; aligning instruction with the Montana math standards; planning with school leadership to meet Browning Public School's math goals, establish strategies, and track progress toward meeting the goals; and collaborating with the Browning Public Schools district leadership, schools principals, School Leadership Teams and OPI for effective implementation.

The total cost for these two (2) additional on-site consulting days is \$5,000.

Reporting

Ms. Buck will provide Site Visit documentation as directed by OPI.

Funding

Though this MOU is not a commitment of funds, the agreed daily compensation to CEC from Browning Public Schools is \$2,500 per consulting day for the on-site days. This rate is inclusive of consultant fees and consultant travel expenses.

Distance support is available should Browning Public Schools request it. If distance support is requested, Custom Educational Consulting LLC will invoice this distance support at \$312.50 per hour. Distance support will be invoiced in two-hour minimum blocks. Distance support hours are in place of, not in addition to, the designated number of on-site days. If distance support is utilized, Ms. Buck will supply a running record of the days and time length of this off-site technical support as well as a summary of the work conducted.

Custom Educational Consulting

Duration

This MOU is at-will and may be modified by mutual consent of authorized officials from Browning Public Schools or CEC. This MOU shall become effective upon signature by the authorized officials from Browning Public School and CEC and will remain in effect until modified or terminated by any one of the partners by mutual consent. In the absence of mutual agreement by the authorized officials from the Browning Public Schools and CEC, this MOU shall end on June 30, 2022.
