Subject: 2007 Tax Rates

Taxing Jurisdictions

This year as taxing jurisdictions are setting their tax rates it will be important to also re-establish any local exemptions granted by the jurisdiction and take action to either adopt the discounts or not. The county is considering not giving discounts this year so it becomes important for those jurisdictions who wish to continue to give discounts to take that action. Oct 3%, Nov 2% and Dec 1% under section 31.05 of the Texas Property Tax Code.

If your jurisdiction has already adopted its tax rate, these actions may be done at a subsequent meeting as long as it is accomplished before Sept 24th.
