Annual Program Evaluation

TEC 29.053 requires districts to conduct an annual program evaluation to determine program effectiveness and ensure student academic success.

The annual evaluation report shall be presented to the Board of Trustees before November 1st each year.

24-25 EB Program Model

Luling ISD serves students on all 3 campuses through an English as a Second Language “pull out program.”

Direct ESL instruction & support is provided in the Reading Language Arts Classroom, by an ESL certified teacher.

Students may also be pulled out for additional instruction & support.
