---

**The mission of Nippersink District 2 is to foster academic growth, instill integrity, confidence, and civic responsibility while preparing all students for an ever-changing global society.**

### **Curriculum, Instruction, Program**

On May 7th, the NMS Building Leadership Team met to review the NMS grading policy, as well as the procedures for late work and retakes. The team determined that these policies would benefit from further review. Sample policies from other districts have been shared with the grade level teams for their input, and a survey has been distributed to gather additional feedback from staff. The team is currently moving forward with staff input to help put updated policies in place.
