Re: Athletic Director Report Dec, 2017

Winter sports are in full swing.

Girls Basketball-

The Varsity Girls Basketball team is currently 1-4. The girls have by far their most difficult pre-season schedule they have ever had. They are getting better each game. There have been a lot of changes as far as offenses and defenses go. The girls are slowly getting better. Their first league game is Tuesday, December 12th @ Payette. The Frosh and JV teams are playing well. The frosh have not played very many games due to other teams not having frosh teams. The JV team is 3-2.

Boys Basketball-

The Varsity Boys Basketball team is currently 1-2. They are a very young team. Coach Mann has done a good job coaching them up and putting them in positions to succeed. They play an international team from Australia on Friday which should be a good experience for our kids. The JV and Frosh teams have struggled somewhat as well but are continuing to get a little better each game.

Wrestling-

The Wrestling team has its first competition on Dec. 6th at Vallivue. They have a good core of wrestlers in the room and Coach Levinski is very optimistic about the group he has at practice every day. There are a total of 17 kids out for wrestling. Three of whom are girls. It is nice to see girls interested in wrestling.

Looking forward to this Winter sports season!!!
