Comment [APowell1]:

Updated in response to the federal regulations requiring written standards of conduct covering conflicts of interest and governing the actions of those engaged in the selection, award, and administration of contracts in compliance with 2 C.F.R. §200.318.

2 C.F.R. §200.318(c)(1) prohibits employees, officers, or agents of a school district from participating in the selection, award, or administration of a contract supported by a federal award if they have a real or apparent conflict of interest. Conflicts of interest arise when one of the following individuals has a financial or other interest in the entity selected for the award:

- School district employee, officer, or agent;
- Any member of the employee, officer, or agent's immediate family;
- The employee, officer, or agent's business partner, and
- An organization that employs or is about to employ one of the above.

For a discussion of what an apparent conflict of interest means, see the discussion about avoiding the appearance of impropriety discussed in the Ill. Council of School Attorneys' publication, *Answers to FAQs, Conflict of Interest and Incompatible Offices*, www.iasb.com/law/conflict.cfm.

Issue 94, March 2017

Comment [APowell2]:

The federal rule underlying this text provides flexibility for school districts to "set standards for situations in which the financial interest is not substantial or the gift is an unsolicited item of nominal value," along with "disciplinary actions to be applied for violations." Referring to sample policy 2:105, *Ethics and Gift Ban* for these standards provides clarity and consistency. Policy 2:105, *Ethics and Gift Ban* refers to Limitations on Receiving Gifts in the Ethics Act at 5 ILCS 430/10-10 - 10-30, along with discussion of the specific penalties available under the Ethics Act at 5 ILCS 430/50-5 in its Enforcement subhead.

Comment [APowell1]:

The Identity Protection Act, 5 ILCS 179/ requires policy about identity protection and controls the policy's content. The Act defines *identity-protection policy* as "any policy created to protect social security numbers from unauthorized disclosure." Pandemic Preparedness

The Board of Education recognizes that the District will play an essential role along with the local health department and emergency management agencies in protecting the public's health and safety if an influenza pandemic occurs. A pandemic influenza is a worldwide outbreak of a virus for which there is little or no natural immunity and no vaccine; it spreads quickly to people who have not been previously exposed to the new virus.

To prepare the School District community for a pandemic, the Superintendent or designee shall: (1) learn and understand the roles that the federal, State, and local government would play in an epidemic; (2) form a pandemic planning team consisting of appropriate District personnel and community members to identify priorities and oversee the development and implementation of a comprehensive pandemic influenza school action plan; and (3) build awareness of the final plan among staff, students, and community.

Emergency School Closing

In the case of a pandemic, any decision for an emergency school closing will be made by the Superintendent in consultation with and, if necessary, at the direction of the District's local health department, emergency management agencies, and appropriate Intermediate Service Center.

1. Superintendent;
2. Building Principal;
3. Head of any department;

7. Any employee in a position that requires an administrative or a chief school business official endorsement.

Prohibited Interests: Conflict of Interest and Limitation of Authority and Outside Employment

In accordance with Section 22-5 of the School Code, "no school officer or teacher shall be interested in the sale, proceeds, or profits of any book, apparatus, or furniture used or to be used in any school with which such officer or teacher may be connected," except when the employee is the author or developer of instructional materials listed with the Illinois State Board of Education and adopted for use by the Board. An employee having an interest in instructional materials must file an annual statement with the Board Secretary.

For the purpose of acquiring profit or personal gain, no employee shall act as an agent of the District nor shall an employee act as an agent of any business in any transaction with the District. This includes participation in the selection, award or administration of a contract supported by a federal award when the employee has a real or apparent conflict of interest as defined by 2 C.F.R. §200.318(c)(1). Students with a Disability

The District accepts for part-time attendance those children for whom it has been determined that special education services are needed, are enrolled in nonpublic schools, and otherwise qualify for enrollment in the District. Requests must be submitted by the student's parent/guardian. Special educational services shall be provided to such students as soon as possible after identification, evaluation, and placement procedures provided by State law, but no later than the beginning of the next school semester following the completion of such procedures. Transportation for such students shall be provided only if required in the child's individualized educational program on the basis of the child's disabling condition or as the special education program location may require.

Extracurricular Activities, Including Interscholastic Competition

Nonpublic students, ~~regardless of whether they~~ ^{who} attend a District school part-time, ~~will not~~ ^{may} be allowed to participate in extracurricular activities.

Assignment When Enrolling Full-Time in a District School

Grade placement by, and academic credits earned at, a nonpublic school will be accepted if the school has a Certificate of Nonpublic School Recognition from the Illinois State Board of Education, or, if outside Illinois, if the school is accredited by the state agency governing education.

A student who, after receiving instruction in a non-recognized or non-accredited school, enrolls in the District will: (1) be assigned to a grade level according to academic proficiency, and/or (2) have academic credits recognized by the District if the student demonstrates appropriate academic proficiency to the school administration. Any portion of a student's transcript relating to such instruction will not be considered for placement on the honor roll or computation in class rank.

Notwithstanding the above, recognition of grade placement and academic credits awarded by a nonpublic school is at the sole discretion of the District. All school and class assignments will be made according to Board of Education policy 7:30, *Student Assignment*, as well as administrative procedures implementing this policy.

1. Entering the ninth grade; and
2. Enrolling in an Illinois school, regardless of the student's grade (including nursery school, special education, Head Start programs operated by elementary or secondary schools, and students transferring into Illinois from out-of-state or out-of-country).

Proof of immunization against meningococcal disease is required ~~from~~for students in grade 12; ~~beginning with the 2015-2016 school year.~~

As required by State law:

1. Health examinations must be performed by a physician licensed to practice medicine in all of its branches, an advanced practice nurse who has a written collaborative agreement with a collaborating physician authorizing the advanced practice nurse to perform health examinations, or a physician assistant who has been delegated the performance of health examinations by a supervising physician.
2. A diabetes screening ~~must be included as~~ a required part of each health examination; diabetes testing is not required.
3. ~~Beginning with the 2017-2018 school year, an age-appropriate developmental screening and an age-appropriate social and emotional screening are required parts of each health examination. A student will not be excluded from school due to his or her parent/guardian's failure to obtain a developmental screening or a social and emotional screening.~~

Unless an exemption or extension applies, the failure to comply with the above requirements by October 15 of the current school year will result in the student's exclusion from school until the required health forms are presented to the District. New students who register after October 15 of the current school year shall have 30 days following registration to comply with the health examination and immunization regulations. If a medical reason prevents a student from receiving a required immunization by October 15, the student must present, by October 15, an immunization schedule and a statement of the medical reasons causing the delay. The schedule and statement of medical reasons must be signed by the physician, advanced practice nurse, physician assistant, or local health department responsible for administering the immunizations.

If the required proof of vaccination is not submitted within 30 days after the student is permitted to attend classes, the student may no longer attend classes until proof of the vaccinations is properly submitted.

Comment [APowell1]:

Updated in response to 105 ILCS 5/27-8.1(2), amended by P.A. 99-927, eff. 6-1-17. The Illinois Department of Public Health is to develop rules to implement these new screening requirements and revise the Child Health Examination form. The health care provider must only record whether or not the social and emotional screening was completed.

Consult the board attorney about whether the presence of developmental or social and emotional screening information on the Child Health Examination form triggers child find obligations under the Individuals with Disabilities Education Act and/or Section 504 of the Rehabilitation Act of 1973.

Comment [APowell2]:

105 ILCS 5/27-8.1(2.5), amended by P.A. 99-927, eff. 6-1-17, exempts developmental or social and emotional screenings from the exclusion from school requirement.

Option 2: Once a student presents proof that he or she received a developmental screening or a social and emotional screening, the school may, with a parent/guardian's consent, make available appropriate school personnel to work with the parent/guardian, child, and provider who signed the screening form to obtain any appropriate evaluations and services.
