Site Council 11/16/17

## Members:

Steven Fuller-Principal  
Melisa Smock- Classified  
Jean Hall- Grandparent  
Michelle Daw- Teacher

## New Business:

Site Council looked over and reviewed the Applegate School Report Card for 2016-2017. Site Council discussed how Applegate could improve on school performance. Site Council discussed how we could increase scores. We have several programs in place to help student needs. We are currently using IXL and Dream Box for math enrichment. Applegate is also currently using Nesy and Dibels for improving literacy. Dibels also helps to measure student growth.

Site Council discussed goals for Applegate in the area of math. Site Council discussed a getting training for staff at Applegate School for Dibels- math, so that we can measure math growth in students. Site Council also discussed looking into IXL dashboard to see how teachers can utilize information that will pertain to their student growth.

Site Council discussed focusing on STEM for science. STEM is a curriculum based on the idea of educating students in four specific disciplines, science, mathematics, engineering and technology. There was a donation done last year to go to Applegate's STEM for science. Applegate can use these funds to get started.
