Agenda Category: General Function Board of Education Meeting: 01/13/26

Item Title: Approval of Library Materials for
Purchase in Compliance with Senate
Bill (SB 13) X Action
Information
Discussion

BACKGROUND:

Senate Bill 13 (89th Legislature) requires school boards to approve new library materials in an open meeting following a 30-day public review period. In compliance with this requirement and district policy EFB(LOCAL), the Brownsville Independent School District posted the proposed list of library materials on December 1, 2025, making it publicly accessible on the district's Professional Development, Library Services, and Print Shop website.

To provide an additional opportunity for community input, the district also created a Google Form titled "Submit Public Comment," allowing parents and community members to share feedback electronically. All proposed materials were reviewed by district librarians to ensure alignment with state law, Texas State Library and Archives Commission standards, and local district policy. No public comments were submitted during the review period.

FISCAL IMPLICATIONS:

Library material purchases will be funded through their campus library budgets. Final costs will vary based on vendor pricing and campus orders but will not exceed budgeted allocations.

RECOMMENDATION:

Recommend approval of the proposed list of library materials for purchase, as submitted, in accordance with Senate Bill 13 and BISD Policy EFB(Local).

Submitted by: Principal/Program Director

Recommended by: Asst. Supt./Exec. Dir.
