SPRING SEMESTER 2007-2008

COMPLIANCE PLAN FOR CLASS SIZE MANDATE

Second Grade and Fourth Grade	Burnet
Kindergarten	Murry Fly
Kindergarten	Gonzales
Kindergarten and Third Grade	Noel
Second Grade	Pease
First Grade	Ross

PLAN OF ACTION

Burnet exceeds the cap by two students in grade two and one student in grade four. Normal attrition should balance the class loads by the end of the semester. The addition of portable structures will be a consideration to address the need for classroom space for the 2008-2009 school year.

Murry Fly exceeds the cap by three students in kindergarten. Construction scheduled for 2007-2008 includes the addition of classroom space. This will allow for future increases in student population.

Gonzales exceeds the cap by one student in kindergarten. Normal attrition should balance the class load by the end of the semester.

Noel exceeds the cap by one student in bilingual kindergarten and one student in grade three. Normal attrition should balance the class load by the end of the semester.

Pease exceeds the cap by three students in grade two and two students in bilingual grade two. Construction scheduled for 2007-2008 includes the addition of classroom space. This will allow for future increases in student population.

Ross exceeds the cap by four students in grade one. The addition of portable structures will be a consideration to address the need for classroom space for the 2008-2009 school year.
