

Community Education Department

Program Report

April 2017

- The Community Education department received a grant from The Gilder Lehrman Institute for special pricing to Broadway in Chicago's play "Hamilton". The average ticket price is \$250-\$800 per ticket. We receive the Institute price of \$65.00 per ticket for the show on November 29, 2017. The Gilder Lehrman Institute is a foundation that assists Title I schools with the opportunity to enriched students in history and the arts through the theater.
- On March 25th, Ms. Bolton represented HS District 152 at the Cook County 4H program, as a judge to their annual Public Speaking and Essay contest. Ms. Bolton will be a guest judge at the 4H finals at the Cook County Fair on July 29th at the Toyota Park at 7000 South Harlem Bridgeview IL.
- Ms. Bolton has been working with the Boy Scouts of America to work on a possible "Boy Scout Jamboree" in the South Suburban school area. We have been working on recruitment of leaders and boys to take advantage of the new initiatives and funding received by the Boy Scout of America for the South Cook Region. We have scheduled a meeting for May 1st for all who what to be Boy/Cub Scout leaders.
- Community Education has been working with Diane Carroll of My Joyful Heart to create a program where she could follow the students in the programs on their education journey through District 152 and District 205. She received a yearly grant of \$10,000 to offer as scholarships for those students. The Community Education program will be working with Ms. Carroll on that program.
- Please like our Facebook page at Harvey Public Schools District 152, to find out all the activities and important events around our district community.
