Proposed Changes to 2019 Board Meeting Schedule

The proposed changes will eliminate 5:00 pm meetings with the exception of a quarterly 5:00 pm meeting strictly for the purpose of student and staff recognitions.

The 4:00 pm meeting that the Board normally has with the principal will be moved to an 11:00 pm lunch meeting and tour of the school. If approved, these changes would allow the Board and the Superintendent to spend time with principals in their buildings and interact with teachers and students. The business portion of the meeting will begin at 1:00 pm at the Hancock Center.
