Re: Local Policy Updates CQA(Local) and FDA(Local)

The District is committed to ensuring that individuals with disabilities have an opportunity equal to their nondisabled peers to participate in the educational environment. The proposal of Local policy CQA ensures our commitment to accessibility for all learners to participate in the District's programs, benefits, and services, including those delivered through electronic and information technology.

The revisions proposed to FDA(Local), our Admissions and Interdistrict Transfer policy are minor and will allow the district to afford the opportunity for students who are not zoned to attend CISD, but reside in the City of Coppell to attend CISD schools as long as they meet the open enrollment criteria.

RECOMMENDATION: Board approval of policies CQA(Local) and FDA(Local) as presented is recommended.
