

CHANGES TO THE 2023-2024 FEES SCHEDULE

Pre-K, Elementary, and Jr High Schools

- Driver Education – Increase from \$130 to \$160.
- Visual Arts classes – Increase from \$20 to \$25 due to increase of art supplies.
- AP Test Per Individual Test – Change wording to “up to \$100”. This price is set by the AP Program and fluctuates from year to year.
- Instrument Rental – Increase from \$85 to \$100. This is to help cover repairs and maintenance of instruments. If you go to an outsourced company, you may be charged that much per month vs what we charge for the whole year.
- Student Government Program Fee – \$25 fee added to cover recognitions and group pictures.
- CTE Optional Projects – Changed wording to include the purchase of additional resources. This is for students who may want to purchase equipment or supplies that they can keep of their own that applies to the specific course they are in. (Example: Welding gloves, chef coat, etc.)
- Made current the classes and names for CTE offered courses and took some out that are no longer being offered.
- Foods & Nutrition, FACS – Increase from \$20 to \$25 due to increase of food prices.
- CTSO Uniform – Added due to these clubs having officers, etc.
- Weber Online Courses – matched any changes to course fee presented through committee.
- Out of State Tuition Fee – Increase based off of APU from \$8114.54 to \$8695.02.
- Extracurricular Fees – Changed the fee name “Additional Fee” to “Program Fee”. Lots of feedback of a negative feel of the name “Additional Fee”.
- Intramurals clarification – Added information to clarify when intramurals can be held, not to be confused with pre/post season camps/clinics.
