VOLUNTEER OF THE MONTH October 14, 2024

Neah-Kah-Nie High School would like to recognize David Hummel as our volunteer for the month.

Neah-Kah-Nie Robotics is extremely lucky to have mentor, David Hummel, volunteering for our team.

David's passion for programming and robotics is contagious. His research on new technologies for our robot to gives us a competitive advantage, and encourages students to attempt challenges that they had not even considered trying.

Every team he assists is greatly improved by his presence, and he has had a sizable influence on the structure of our team, and on the ambition of our design solutions.

Many thanks to David for his dedication to Neah-Kah-Nie Robotics.
