liability, civil, or criminal, that might otherwise result from that action.

5. ~~The use/possession/distribution of illicit drugs is illegal and harmful.~~
6. ~~The District will provide the parents, students and employees with information concerning alcohol and drug counseling, and rehabilitation programs, and with copies of mandated standards of conduct and consequences.~~
7. ~~Any employee so involved with illegal drugs or alcohol will receive disciplinary sanctions consistent with local, state and federal law up to and including termination of employment and referral for prosecution.~~

#### ~~1.0711.06 CONTROLLED SUBSTANCES POLICY~~

~~Issue date: 4/25/96~~

~~The use, possession or exchange of a controlled substance on any school property, in any building owned or operated by the Board or at any activity sponsored by the school whether on or off school property or within one thousand (1,000) feet of school is a violation of the law and is prohibited.~~

~~Controlled substances are defined as, but not limited to, alcohol, tobacco (including smokeless), marijuana, cocaine, heroin, or any legally controlled or non-prescribed stimulant, sedative, hallucinogen or tranquilizer which is by content so identified, regardless of name of origin. Each school will abide by local school policy for tobacco (including smokeless). Use of drugs and/or alcohol will have the following consequences:~~

##### ~~1. Violation 1~~

- ~~Suspension of students for five (5) days and referral to juvenile court or other action as determined by local school administrator.~~
- ~~Thompson School is a special education school and will not accept students for misuse of a controlled substance as their primary violation.~~

#### **School District Location Defined—**

“School district location” means in any school building or on any school premises; on any school-owned vehicle or in any other school-approved vehicle used to transport students to and from school or school activities; off school property at any school-sponsored or school-approved activity, event or function, such as a field trip or athletic event, where students are under the jurisdiction of the school district; or during any period of time such employee is supervising students on behalf of the school district or otherwise engaged in school district business.

#### **1.0711.06 CONTROLLED SUBSTANCES AND**

**REPORTING POLICY** Issue date: 4/25/96

The use, possession or exchange of a controlled substance on any school property, in any building owned or operated by the Board or at any activity sponsored by the school whether on or off school property or within one thousand (1,000) feet of school is a violation of the law and is prohibited.

Controlled substances are defined as, but not limited to, alcohol, tobacco (including smokeless), marijuana, cocaine, heroin, or any legally controlled or non-prescribed stimulant, sedative, hallucinogen or tranquilizer which is by content so identified, regardless of name of origin.

#### **Duty to Report Student Use or Possession of Illegal Drugs or Alcohol—**

A school employee with reasonable belief that a student has used or possessed alcohol or illegal drugs, counterfeit substances, or any associated paraphernalia at a school district location, or during a school-sponsored activity, shall immediately report that fact to the school's administrator.

## ~~2. Violation 2~~

~~a. After due process, the referring principal will ask for expulsion of the student by the Board.~~

~~Other professional service agencies will be asked to provide adequate support and placement for these students.~~

~~Reporting of violations will be carried out in accordance with the 1986 H.B.205 and M.B.241 which indicate that educators and others who have reasonable cause to believe that "a student is in violation shall report such use to parent or guardian and have the option of involving law enforcement agencies." Duchesne County Schools will notify law enforcement first, then parents or guardians.~~

### ~~3. Reporting:~~

~~a. School authorities may search lockers, persons, or personal belongings for purposes of acquiring evidence of use, possession, or exchange of controlled substances at any time. Methods and measures used for the search are to be reasonably related to the objectives of the search and not excessively intrusive in the light of the circumstances, including the age and sex of the person involved and the nature of the infraction. When a school authority conducts a search, at least one other educator is to be present, and law enforcement may be present if possible. Use of canine (sniffing dog) will be used at any time in searches for controlled substances in all Duchesne County Schools.~~

### ~~4. Education:~~

~~a. The District will continue to provide instruction on the harmful effects of alcohol, tobacco, and other controlled substances. Review and up grading of these instructional offerings will be continually in progress so that the latest and most effective methods of latest and most effective methods of instruction will be utilized.~~
