### K-2 Classroom: J. Fenner

Greetings from Ms. Fenner and students,

We had lots of fun activities to welcome Spring. The month started out with making beautiful flowers to decorate our classrooms hall walls. Then we made Easter Bunnies for the garden wall. We also enjoyed decorating Easter Eggs for our Annual Babb School Easter Egg Hunt. The students and staff had a great time hunting down the hundreds of eggs hidden about the playground. We are currently testing and getting ready to wrap up the school. As our excitement grows it is getting harder to maintain our overwhelming joy, but we are still working hard every day to learn as much as possible. We want to thank everyone for their hard work and express our appreciation to everyone involved in our education! Sincerely, Ms. Fenner and class April started out with our parent/teacher conference. Our 3-6 grade class had 100% parent turnout. We had our 3rd quarter awards on April 5. Our class had 1 student with perfect attendance, 8 students made honor roll, and 4 with reading awards. On the 18th we had our Easter egg hunt and dinner. We had a really good turnout for that. We had girls basketball going on all month and the Babb Mustangs were awesome. On the 24th and 25th, our class had career days. We had several parents and community members come in and talk to the students about their jobs. We continued practicing for the SBAC tests and began testing on the 30th.

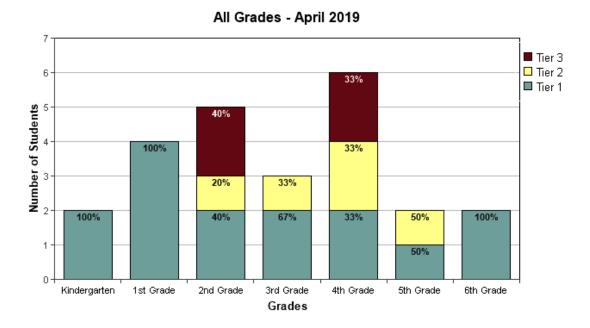

#### Star Math

	Kinder	GRADE 1	GRADE 2	GRADE 3	GRADE 4	GRADE 5	GRADE 6
At/Above Benchmark 75% and above	0	2	1	1	1	0	1
On Watch 50%-74%	0	2	0	1	0	1	1
Intervention 25%-49%	0	0	4	1	3	1	0
Urgent Intervention 25% and below	0	0	0	0	1	0	0

## **Celebrations:**

- 1. Congratulations to Ms. Weekes for having the best staff attendance for the entire year for the entire district she only used 5 hours of leave the whole year!!
- 2. At the submission of the report Babb will have completed the SBAC testing for the year with 99% attendance during the test dates.
- **3.** Thank you to the community members who came to the school and shared their careers with the students!

### Challenges:

1. Finishing out the year strong is always a challenge – attendance rates drop and test scores drop! We will continue to maintain focus and work towards a strong finish.
