**Re:** Purchase Request- SmartNet

---

The SMARTNet annual renewal for the Cisco Identity Service Engine subscription is due. The annual renewal is required to ensure maintenance and support for our Cisco hardware. The proposed price for this year's renewal is \$52,876.07. This is down from last year's cost of \$82,000 due to a bundled purchase for wireless controllers that was approved in June.

Thank you for your consideration of this purchase. As always I appreciate your continued support of technology in the district. If I can provide further clarification or answers to questions, please contact me at 801-476-7980.

Thank you,

*Dr. Jennifer Boyer-Thurgood*
