**Re: Dual Language Immersion Internal Review**

As a part of the Professional Learning Community philosophy of continuous improvement and a focus on high levels of learning for all, we would like to provide an update on the Dual Language Immersion Program at Denton Creek and Wilson Elementary Schools.

With changes from the Texas Commissioner of Education as it relates to services and continued growth of the Limited English Proficient learners, a presentation of the internal evaluation based on the Guiding Principles for Dual Language Education along with recommendations will be shared.
