The District recognizes the importance of protecting the health and safety of students, staff, and the community during the COVID-19 pandemic. As such, and in accordance with requirements and guidelines issued by the Connecticut State Department of Education (“SDE”), the District requires that all individuals entering a school building, a District facility, or a District transportation vehicle wear an appropriate face covering. An appropriate face covering shall consist of a cloth mask or disposable procedure-style mask that completely covers the individual’s nose and mouth. An appropriate face covering shall not include bandanas or exhalation valve masks. Any student or staff member who presents for entrance into a school building, District facility or District transportation vehicle who is not wearing an appropriate face covering shall be provided an appropriate face covering by the District.

Any individual who refuses to wear an appropriate face covering at all times while in a school building, District facility or District transportation vehicle shall be denied admission and/or required to leave the premises, unless an applicable exception applies. In addition, failure to comply with this policy may lead to disciplinary action for students and staff, and exclusion from school property for members of the community, in accordance with applicable laws, rules, regulations, and/or Board policies.

The District authorizes the Superintendent or designee to develop administrative regulations and/or protocols to implement this policy. Such administrative regulations and/or protocols shall outline authorized exceptions to the requirement that all individuals wear an appropriate face covering in the school buildings, District facilities and District transportation vehicles and may identify additional face covering rules as related to the safe operation of the school community.
