

Strategic Plan Timeline 2022-23

INVOLVE

Work with the community to ensure concerns and goals are understood and considered.

Our commitment: We will work to ensure your concerns and aspirations are reflected in the strategic plan and provide feedback on how community input influenced the decision.

COLLABORATE

Partner with community representatives in each part of the strategic planning process, including the development of strategies to achieve our mission.

Our commitment: We will look to a representative group for advice and innovation in developing the strategic plan and incorporate their advice and recommendations into the decision to the maximum extent possible.

THOUGHT EXCHANGE: An online, multilingual platform that allows people to anonymously share ideas and rank the ideas submitted by others in order to get a clearer view of group priorities

WORLD CAFÉ: An in-person or virtual collaborative discussion around key questions to develop the strategic plan

COMMUNITY FEEDBACK LOOP: The process of sharing responses to feedback from the community and sharing current thinking on the strategic plan

CORE PLANNING REVIEW: The designated team of community and district stakeholders incorporating community feedback into planning and making recommendations

ADMINISTRATIVE TEAM AND EXPERTS REVIEW: Principals and Cabinet reviewing recommendations and determining how to implement the strategic plan
