

## Student-Parent Handbook for Approval 2022 – 2023

### **Background:**

The parent-student handbooks are ready for board approval. Board approval gives the handbook the authority of school board policy.

Changes are requested to each handbook. The principals will be on hand to elaborate on the proposed handbook changes.

### **Changes from Last Year:**

The **Jacobson Elementary** Handbook has only minor changes. They are listed below:

- Page 4- Update teacher assignments.
- Page 10- Add after school study hall that was implemented in January.
- Page 18- Clarified testing procedures
- Page 31- Clarified PBIS referral follow-up by counselors within 24 hours.
- Page 43- Changed location of bike racks (this was done 2 years ago but I missed it)

The **Junior-Senior High** Handbook has a few more significant changes. They are listed below:

- Technology Use Deleted as it appears in the laptop materials.
- Food and Drink Limited to the Student Center and not allowed in classrooms.
- Concurrent Classes Students will be assigned a study hall for the college class.
- Response to Intervention Deleted.
- Distance Learning Deleted as it pertains to remote instruction during the pandemic.

The two complete handbooks are available for review on the BoardBook website under the category of **EXTRAS**.

### **Recommended Action:**

I recommend the board move to approve the two student-parent handbooks.
