Re: 2014-2015 Final Budget Amendments

In an effort to keep the Board of Education informed as to our financial position, we amend our budgets several times during the year to update the Board on the most recent projections. We would like to discuss the changes for the final budget amendment at the Finance Committee meeting on Tuesday, May 26, 2015.

On Tuesday we will provide information on the final budget amendment and be available for questions. We will ask the Board to adopt the final budget amendment at the June 8, 2015 Board of Education meeting.

Please let me know if there are any questions. Thank you very much.
