**SUBJECT: Focus Schools' Presentation to the Board of Education**

The Michigan Department of Education is requiring districts to provide quarterly reports to their Board of Education on the efforts being made to reduce the student achievement gaps in Focus Schools. The report is required to be presented during a Board of Education meeting.

I would like to request an opportunity to present key efforts at the district and school levels to address the student achievement gaps in our Focus Schools. Please consider adding this agenda item to the December 2, 2013, Curriculum Committee segment of the Committee of the Whole Meeting.

Thank you for your consideration of this request.
