Transition Program

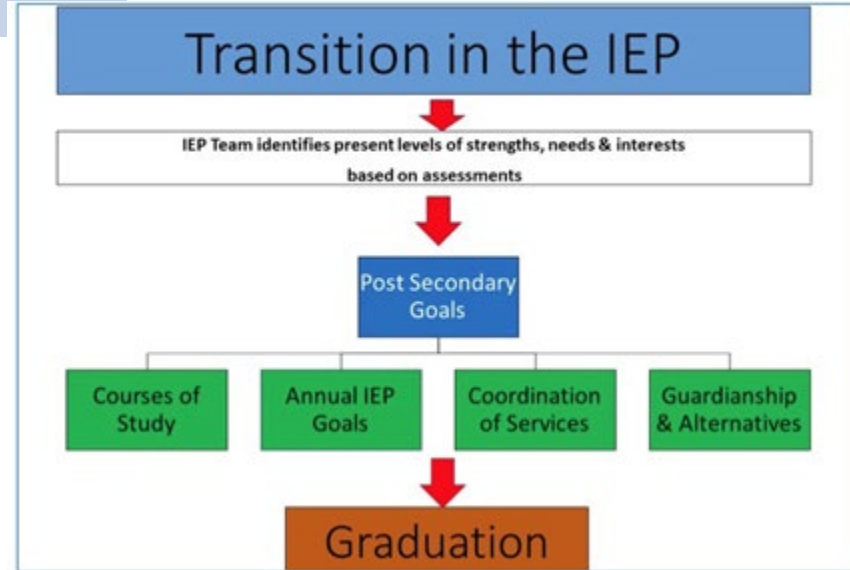

The goal of transition planning is to enable persons with disabilities to achieve maximum productivity, independence and integration into the community, including:

- A place to live
- A place to work
- Opportunities for recreation and socialization
- Connect with outside agencies
 - Texas Workforce Commission
 - Alamo Area Council of Governments
 - The ARC of San Antonio
 - The Lighthouse for the Blind
 - Catholic Charities
 - Child Protective Services and Adult Protective Services

Transition planning must be done on or before their 14th birthday

South San Transition Education Program (SSTEP) - works with students who have completed all of their high school credits and have graduated but are returning for employability skills training.

Under federal law, students with disabilities are entitled to special education and related services until the end of the school year following his or her **21st birthday**

Summer Success Academy

1. Notification Letter
2. PK through HS is recommending students based academic deficits [promotion requirements, chapter 89, credit accrument]
3. Attendance is also a factor. Students who are below 75% attendance may be recommended to the campus principal for review
4. High school will offer summer school that targets STAAR EOC, Credit Recovery, and Attendance Recovery
5. Criteria selection continues to follow [Board policy EIE](#)

Summer Success Academy

Programming:

Instructional for Enrichment

- Students in grades Pre-K/Head Start and Kindergarten are identified and invited to participate for enrichment.

Instructional for Promotion

- Students in grades 1 through 12 are referred to summer school for the purpose of providing additional instruction time that targets instruction for acceleration of skills in reading, writing, math, social studies and science for students who are facing retention.

REGISTRATION
IS STILL
ONGOING

Summer Success Academy

Bilingual (elementary only)

- The State mandates that a summer school program be provided for children in a bilingual program who will be eligible for admission to Kindergarten or First Grade at the beginning of the next school year. The program will address the affective, linguistic, and cognitive needs of the students according to Chapter §89.121(c) and §89.1210(e).

Special Education Extended School Year (ESY) Summer Program

- The purpose of ESY Services is to address severe and substantial regression in children with disabilities in one or more acquired critical skills that cannot be recouped within a reasonable period of time.
 - ESY Services are individualized instructional programs provided beyond the regular school year with no cost to the parent/guardian.
 - ESY must be addressed annually for each student with a disability.
