Parental Involvement	<p>Parents and guardians are the primary decision-makers regarding their child’s access to library material. In general, a student is afforded the opportunity to self-select library materials as part of literacy development and the library program. Parents and guardians are encouraged to communicate with the campus librarian and their child’s teacher about special considerations regarding library materials self-selected by their child.</p> <p>In accordance with state law and administrative procedures, parents or guardians may submit to the principal or a staff member designated by the principal a list of library materials that the parent’s or guardian’s child shall not be allowed to check out or access for use outside of the school library. The Superintendent shall develop procedures that permit a parent or guardian to submit the request in at least one of the methods permitted by law.</p> <p>The parent or guardian may select alternative library materials for their child. [For information on parental rights regarding instructional materials and other instructional resources, see EFA(LEGAL).]</p> <p>The District shall focus on maximizing transparency with parents while meeting student needs and providing enrichment opportunities with library materials.
