Re: Gifts, Grants and Bequests

In accordance with policy 7230, all gifts, grants or bequests having a value of more than \$500.00 shall be accepted by the Board of Education.

An anonymous donor has contributed \$32,900 which is half of this year's donation to fund the third year of 'Project Lead the Way' a curriculum program which combines science, technology, engineering, and math at the Middle Schools and the High School. This is the second half of the donation for this fiscal year bringing the total to \$65,800.

Please ask the Board of Education at its regularly scheduled meeting on Monday September 26, 2016, to accept this donation from the anonymous donor for this program.
