Re: Purchase of Mobile Devices

I would like to discuss the purchase of 2,000 Chromebooks and 68 Chromebook Charging Carts at the next Committee of the Whole meeting on Monday, March 21, 2022. I am recommending this purchase from Presidio in the amount of \$873,776.00 to come from federal ESSER grant funds. This purchase replaces the Chromebooks purchased from Bond funds in 2018 that will no longer be supported by Google in 2022.

In addition, I would like to discuss the purchase of 8,000 Chromebooks from All Covered in the amount of \$3,192,000.00 for student home use. This purchase is 100% funded through a competitive grant through the Emergency Connectivity Fund (ECF) to help support remote learning.

Please let me know if there are any questions. Thank you.
