Culturally Responsive Instruction

Goal 2: All students perform at or above grade level

• We have a dedicated time and space for intervention during 4th period. Students receive grade level instruction and the 4th period space pushes in that individualized learning support.

Goal 3: All students are prepared for their pathway of choice post-high school

• Tumitchiat Sivunmun Wayfinder used; YouScience has been added to the curriculum

Goal 4: Graduate bilingual students

• Added a Tagalog class for students who are interested in learning the language, with a max of 10 students.

Student Social & Emotional Wellbeing

Goal 5: Facilitate & maintain culturally, emotionally, & physically safe learning environments

• Ms. Lemmert continues to stop by to visit with students at least once a week.

Staff Support & Professional Development

Goal 6: Build and sustain a thriving workforce aligned with the mission of this District

Our Mission: Students who are empowered, culturally rooted, bilingual, healthy, critical, creative, life-long learners. Last spring at HMS we spent time unpacking the mission's meaning. This year students declare it each day during morning announcements. The mission is posted in the classroom spaces as a reminder for students and staff.

Financial & Operational Stewardship

Goal 7: Standardize high-functioning, efficient, student-focused operations

HMS Activities

• Interviews have been completed for girls' basketball and volleyball. We have chosen the candidates for the positions and the paperwork is in process at the district level.

HMS Tutoring Schedule

• Five tutors have been hired, and tutoring has begun. Tutoring is from 4:30 – 5:30 four days a week, in ELA and Math.. and we also have tutoring for Science and History. The times for these are the same, except History, which goes until 6:00.
