Date: October 18, 2016 Presented By: Dr. Puig

Subject: Braille and Orientation  
and Mobility Classes Related Page(s)

**Action**

**BACKGROUND INFORMATION:**

AC Jones High School respectfully requests approval to offer Braille and Orientation and Mobility classes attached for graduation credit. These two classes are specially designed for a student with a visual impairment. These classes are innovative classes listed as available for high school credit with local school board approval in the 2016-2017 Texas Education Data Standards Code Table C022.

The braille class will be used as an elective class and the Orientation and Mobility class will also be used as an elective class with the possibility of using it as a PE waiver.

**RECOMMENDATION:**

Approval

**BOARD ACTION REQUIRED:**

I move that the Board approve the Braille and Orientation and Mobility Classes.
