BE IT RESOLVED by the School Board (the Board) of Independent School District No. 2172 (Kenyon-Wanamingo), Minnesota (the District), as follows:

SECTION 1. AUTHORIZATION. It is hereby found, determined and declared that certain state aids for schools receivable by the District during the July 1, 2025 to June 30, 2026 fiscal year will not be received in time to meet necessary expenditures for the purposes for which such aids are receivable. The District is authorized, pursuant to Minnesota Statutes, Sections 126C.50 through 126C.56, to borrow money by the issuance of its aid anticipation certificates of indebtedness in a principal amount not greater than 75% of the amount of such aids receivable by the District during the 2025-2026 fiscal year and has determined to issue its General Obligation Aid Anticipation Certificates of Indebtedness, Series 2025A in an amount not to exceed \$2,500,000 (the Certificates) against aids receivable for funds 1, 2 and 4 (the Operating Funds). The principal amount of the Certificates to be issued pursuant to this resolution is within said statutory borrowing limitation. The District's Certificate as to State Aids from the Commissioner of Education of the State of Minnesota will be received prior to the date on which the Certificates are issued.

SECTION 2. AWARD OF SALE; CERTIFICATE PURCHASE AGREEMENT; EXPIRATION. Pursuant to Minnesota Statutes, Section 126C.56, the requirements of public sale do not apply to the issuance under certain circumstances of aid anticipation certificates of indebtedness. The District has retained PMA Securities, LLC, in Albertville, Minnesota ("PMA"), as independent municipal advisor in connection with the sale of the Certificates. PMA is hereby authorized to proceed with the sale of the Certificates by negotiated sale with an established underwriter or private placement with a bank.

The Superintendent and any Board Officer (the Authorized Officers) are hereby authorized and directed to award the sale of the Certificates to any established underwriter recommended by PMA (in the case of a negotiated sale) or bank (in the case of a private placement) (either being the Purchaser) with terms most favorable to the District and execute a certificate purchase agreement or similar document (the Certificate Purchase Agreement) on the part of the District for the sale of the Certificates, provided that the principal amount of the Certificates shall not in any event exceed \$2,500,000 nor shall the true interest cost thereof exceed in any event 5.00%. The Authorized Officers are hereby authorized and directed to agree with the Purchaser upon the exact purchase price, and interest rate for the Certificates, within the parameters set forth in this resolution. The Authorized Officers are hereby authorized and directed to agree with the Purchaser

upon the exact purchase price, and interest rate for the Certificates, within the parameters set forth in this resolution. The execution by the Authorized Officers of the Certificate Purchase Agreement setting forth such final terms is hereby approved and authorized and such execution shall be conclusive evidence of such agreement and shall be binding upon the District. The provisions of the Certificate Purchase Agreement as so executed, including all exhibits and appendices thereto, are incorporated herein by reference. The authorization contained herein shall expire on December 31, 2025.

SECTION 3. CERTIFICATE TERMS. The Certificates shall be prepared under the supervision of the Clerk and shall bear interest at the rate stated in Section 2 hereof from date of issue until paid. The Certificates shall be dated September 18, 2025, shall mature on September 30, 2026, without option of prior payment, and shall be in the denomination of \$5,000 or any integral multiple thereof. The Certificates shall be issuable only in fully registered form, and the ownership of the Certificates shall be transferred only upon the bond register of the District hereinafter described. Upon presentation and surrender of each Certificate, the principal amount thereof and the interest thereon shall be payable to the registered owner thereof by check or draft issued by the registrar, transfer agent and paying agent hereinafter described.

SECTION 4. APPOINTMENT OF INITIAL REGISTRAR. The District hereby appoints Northland Bond Services, a division of First National Bank of Omaha, in Minneapolis, Minnesota as the initial registrar, transfer agent and paying agent (the Registrar). The Chairperson and Clerk are authorized to execute and deliver, on behalf of the District, a contract with the Registrar. Upon merger or consolidation of the Registrar with another corporation, if the resulting corporation is a bank or trust company authorized by law to conduct such business, such corporation shall be authorized to act as successor Registrar. The District agrees to pay the reasonable and customary charges of the Registrar for the services performed. The District reserves the right to remove any Registrar upon thirty (30) days' notice and upon the appointment of a successor Registrar, in which event the predecessor Registrar shall deliver all cash and Certificates in its possession to the successor Registrar and shall deliver the certificate register to the successor Registrar.

SECTION 5. REGISTRAR, TRANSFER AGENT AND PAYING AGENT. The effect of registration and the rights and duties of the District and the Registrar with respect thereto shall be as follows:

(a) The Registrar shall keep at its principal corporate trust office a register in which the Registrar shall provide for the registration of ownership of and the registration of transfers and exchanges of Certificates entitled to be registered, transferred or exchanged.

(b) Upon surrender for transfer of any Certificate duly endorsed by the registered owner thereof or accompanied by a written instrument of transfer, in form satisfactory to the Registrar, duly executed by the registered owner thereof or by an attorney duly authorized by the registered owner in writing, the Registrar shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Certificates of a like aggregate principal amount as requested by the transferor.

(c) All Certificates surrendered upon any transfer or exchange shall be promptly canceled by the Registrar and thereafter disposed of as directed by the District.

(d) When any Certificate is presented to the Registrar for transfer, the Registrar may refuse to transfer the same until it is satisfied that the endorsement on such Certificate or separate instrument of transfer is legally authorized. The Registrar shall incur no liability for the refusal, in good faith, to make transfers which it, in its judgment, deems improper or unauthorized.

(e) The District and the Registrar may treat the person in whose name any Certificate is at any time registered in the register as the absolute owner of such Certificate, whether such Certificate shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal of and interest on such Certificate and for all other purposes, and any such payment so made to any such registered owner or upon the owner's order shall be valid and effectual to satisfy and discharge the liability of the District upon such Certificate to the extent of the sum or sums so paid.

(f) For every transfer or exchange of Certificates, the Registrar may impose a charge upon the owner thereof sufficient to reimburse the Registrar for any tax, fee or other governmental charge required to be paid with respect to such transfer or exchange.

(g) In case any Certificate shall become mutilated or be lost, stolen or destroyed, the Registrar shall deliver a new Certificate of like amount and tenor in exchange and substitution for and upon cancellation of any such mutilated Certificate or in lieu of and in substitution for any such Certificate lost, stolen or destroyed, upon the payment of the reasonable expenses and charges of the Registrar in connection therewith; and, in the case of a Certificate lost, stolen or destroyed, upon filing with the Registrar of evidence satisfactory to it that such Certificate was lost, stolen or destroyed, and of the ownership thereof, and upon furnishing to the Registrar of an appropriate bond or indemnity in form, substance and amount satisfactory to it, in which both the District and the Registrar shall be named as obligees. All Certificates so surrendered to the Registrar shall be canceled by it and evidence of such cancellation shall be given to the District. If the mutilated, lost, stolen or destroyed Certificate has already matured, it shall not be necessary to issue a new Certificate prior to payment.

SECTION 6. EXECUTION AND DELIVERY. The Certificates shall be executed by the signatures of the Chairperson and the Clerk, provided that such signatures may be printed, engraved or lithographed facsimiles thereof. Notwithstanding such execution, no Certificate shall be valid or obligatory for any purpose or entitled to any security or benefit under this resolution unless and until a certificate of authentication on such Certificate has been duly executed by the manual signature of an authorized representative of the Registrar. Certificates of authentication on different Certificates need not be signed by the same representative. The executed certificate of authentication on each Certificate shall be conclusive evidence that it has been authenticated and delivered under this resolution. When the Certificates have been fully executed and authenticated, they shall be delivered to the Purchaser upon receipt of payment of the purchase

price, including accrued interest to the date of delivery, if any. The Purchaser shall not be required to see to the application of the proceeds of the Certificates.

SECTION 7. SECURITIES DEPOSITORY. In the event the Certificates are sold in a negotiated sale with an established underwriter, the provisions of this Section shall apply. This Section shall not be applicable in the event the Certificates are sold in a private placement.

(a) For purposes of this section the following terms shall have the following meanings:

“Beneficial Owner” shall mean, whenever used with respect to a Certificate, the person in whose name such Certificate is recorded as the beneficial owner of such Certificate by a Participant on the records of such Participant, or such person’s subrogee.

“Cede & Co.” shall mean Cede & Co., the nominee of DTC, and any successor nominee of DTC with respect to the Certificates.

“DTC” shall mean The Depository Trust Company of New York, New York.

“Participant” shall mean any broker-dealer, bank or other financial institution for which DTC holds Certificates as securities depository.

“Representation Letter” shall mean the Representation Letter pursuant to which the sender agrees to comply with DTC’s Operational Arrangements.

(b) The Certificates may be initially issued as separately authenticated fully registered Certificates, and one Certificate shall be issued in the principal amount of each stated maturity of the Certificates. Upon initial issuance, the ownership of such Certificates shall be registered in the bond register in the name of Cede & Co., as nominee of DTC. The Registrar and the District may treat DTC (or its nominee) as the sole and exclusive owner of the Certificates registered in its name for the purposes of payment of the principal of or interest on the Certificates, selecting the Certificates or portions thereof to be redeemed, if any, giving any notice permitted or required to be given to registered owners of Certificates under this resolution, registering the transfer of Certificates, and for all other purposes whatsoever; and neither the Registrar nor the District shall be affected by any notice to the contrary. Neither the Registrar nor the District shall have any responsibility or obligation to any Participant, any person claiming a beneficial ownership interest in the Certificates under or through DTC or any Participant, or any other person which is not shown on the bond register as being a registered owner of any Certificates, with respect to the accuracy of any records maintained by DTC or any Participant, with respect to the payment by DTC or any Participant of any amount with respect to the principal of or interest on the Certificates, with respect to any notice which is permitted or required to be given to owners of Certificates under this resolution, with respect to the selection by DTC or any Participant of any person to receive payment in the event of a partial redemption of the Certificates, or with respect to any consent given or other action taken by DTC as registered owner of the Certificates. So long as any Certificate is registered in the name of Cede & Co., as nominee of DTC, the Registrar shall pay all principal of and interest on such Certificate, and shall give all notices with respect to such Certificate, only to Cede & Co. in accordance with DTC’s Operational Arrangements, and all such

payments shall be valid and effective to fully satisfy and discharge the District's obligations with respect to the principal of and interest on the Certificates to the extent of the sum or sums so paid. No person other than DTC shall receive an authenticated Certificate for each separate stated maturity evidencing the obligation of the District to make payments of principal and interest. Upon delivery by DTC to the Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., the Certificates will be transferable to such new nominee in accordance with paragraph (e) hereof.

(c) In the event the District determines that it is in the best interest of the Beneficial Owners that they be able to obtain Certificates in the form of bond certificates, the District may notify DTC and the Registrar, whereupon DTC shall notify the Participants of the availability through DTC of Certificates in the form of certificates. In such event, the Certificates will be transferable in accordance with paragraph (e) hereof. DTC may determine to discontinue providing its services with respect to the Certificates at any time by giving notice to the District and the Registrar and discharging its responsibilities with respect thereto under applicable law. In such event the Certificates will be transferable in accordance with paragraph (e) hereof.

(d) The execution and delivery of the Representation Letter to DTC by the Chairperson or Clerk is hereby authorized and directed.

(e) In the event that any transfer or exchange of Certificates is permitted under paragraph (b) or (c) hereof, such transfer or exchange shall be accomplished upon receipt by the Registrar of the Certificates to be transferred or exchanged and appropriate instruments of transfer to the permitted transferee in accordance with the provisions of this resolution. In the event Certificates in the form of certificates are issued to owners other than Cede & Co., its successor as nominee for DTC as owner of all the Certificates, or another securities depository as owner of all the Certificates, the provisions of this resolution shall also apply to all matters relating thereto, including, without limitation, the printing of such Certificates in the form of bond certificates and the method of payment of principal of and interest on such Certificates in the form of bond certificates.

SECTION 8. FORM OF CERTIFICATES. The Certificates shall be prepared in substantially the form found at EXHIBIT A.

SECTION 9. USE OF PROCEEDS. The proceeds of the Certificates shall be deposited in the Operating Funds of the District and shall be used solely to pay claims duly approved and allowed with respect to current operating expenses of the kinds and within the amounts provided in the official budget of the District. Such proceeds shall be recorded as liabilities of such funds, pursuant to Minnesota Statutes, Section 123B.78.

SECTION 10. DEBT SERVICE FUND. A General Obligation Aid Anticipation Certificates of Indebtedness, Series 2025A Debt Service Fund (the Debt Service Fund) shall be created for the repayment of the principal of and interest on the Certificates and shall be maintained by the School District Treasurer separate and apart from all other funds of the District. There shall be credited to the Debt Service Fund any amount in excess of \$2,500,000 (or the actual principal amount of the Certificates) received by the District in the sale of the Certificates. At such time as

state aids for schools distributable to the District for the current fiscal year, receipts of which are to be recorded as assets of the Operating Funds of the District pursuant to the Uniform Financial Accounting and Reporting System for Minnesota school districts, and which remain to be received, are in the amount of 105% of the principal and interest due on the Certificates issued to fund the deposit to the Operating Funds, on their maturity date, there shall be deposited in the Debt Service Fund all subsequent receipts of such aids or other moneys of the District legally available therefor, until the balance in the Debt Service Fund is sufficient to pay all principal and interest due on the Certificates at maturity.

The full faith and credit of the District are pledged to the payment of the Certificates, and, in accordance with Minnesota Statutes, Section 475.61, the District hereby covenants and agrees that in the event of a deficiency in moneys to pay principal of and interest on the Certificates when due, it will levy and cause to be extended upon all taxable property within its corporate limits such ad valorem taxes as may be required for the payment of such principal and interest in full.

SECTION 11. TAX COVENANTS AND ARBITRAGE MATTERS.

11.01. Restrictive Action. The District covenants and agrees with the owners from time to time of the Certificates that it will not take, or permit to be taken by any of its officers, employees or agents, any action which would cause the interest on the Certificates to become includible in gross income for federal income tax purposes under the Internal Revenue Code of 1986 (the Code), and applicable Treasury Regulations (the Regulations), and covenants to take any and all actions within its powers to ensure that the interest on the Certificates will not become includible in gross income for federal income tax purposes under the Code and the Regulations.

11.02. Statement of Capital Expenditures and Arbitrage Certificate. The Board estimates that the principal amount of the Certificates will not exceed (i) the largest amount by which the District's working capital expenditures exceed available amounts for payment thereof during the period for which such aids are anticipated and during which the Certificates will be outstanding, and (ii) the amount of a working capital reserve equal to five percent of the District's working capital expenditures in the Operating Funds for the prior fiscal year, all as contemplated by the Regulations. The District Treasurer is directed to prepare a statement of estimated capital expenditures during the period for which such aids and other funds are anticipated and during which the Certificates will be outstanding for the purpose of verifying the correctness of this estimate. In the event that such statement does not verify such estimate, the principal amount of the Certificates shall be reduced to such amount as will not exceed the amount permitted by the Regulations. Prior to the issuance of the Certificates, the Chairperson and the Clerk, being the officers of the District charged with the responsibility for issuing the Certificates pursuant to this resolution, shall execute and deliver to the Purchaser a certificate as contemplated by the Regulations stating the facts, estimates and circumstances in existence on the date of issuance and delivery of the Certificates which indicate that the proceeds of the Certificates will not be used in a manner that would cause the Certificates to be "arbitrage bonds" within the meaning of the Code and Regulations.

11.03. Arbitrage Rebate. (a) It is hereby found that the District has general taxing powers, that no Bond is a "private activity bond" within the meaning of Section 141 of the Code, that 95%

or more of the net proceeds of the Bonds are to be used for local governmental activities of the District, and that the aggregate face amount of all tax-exempt obligations (other than private activity bonds) issued by the District and all subordinate entities thereof during calendar year 2025 is not reasonably expected to exceed \$5,000,000 plus the lesser of \$10,000,000 or so much of the aggregate face amount of the tax-exempt obligations as are attributable to financing or refinancing the construction of public school facilities. Therefore, pursuant to Section 148(f)(4)(D) of the Code, the District shall be treated as meeting the arbitrage rebate requirements of paragraphs (2) and (3) of Section 148(f) of the Code.

(b) If, notwithstanding the provisions of paragraph (a) of this Section 6.03, the arbitrage rebate provisions of Section 148(f) of the Code apply to the Bonds, the District hereby covenants and agrees to make the determinations, retain records and rebate to the United States the amounts at the times and in the manner required by said Section 148(f).

11.04. Qualified Tax-Exempt Obligations. The Board hereby designates the Certificates as “qualified tax-exempt obligations” for purposes of Section 265(b)(3) of the Code relating to the disallowance of interest expense for financial institutions, and hereby finds that the reasonably anticipated amount of tax-exempt obligations which are not private activity bonds (not treating qualified 501(c)(3) bonds under Section 145 of the Code as private activity bonds for the purpose of this representation) which will be issued by the District and all subordinate entities during calendar year 2025 does not exceed \$10,000,000.

SECTION 12. CERTIFICATION OF PROCEEDINGS.

12.01. County Auditor Registration. The Clerk is hereby authorized and directed to file a certified copy of this resolution with the County Auditors of Goodhue, Rice, Dodge and Steele Counties and to obtain from the County Auditors a certificate that the Certificates have been duly entered upon the bond registers as required by law.

12.02. Proceedings. The officers of the District and the County Auditors are hereby authorized to furnish to the Purchaser and to Dorsey & Whitney LLP, the attorneys approving the legality of the issuance of the Certificates, certified copies of any resolution of the District relating thereto, and such certificates and affidavits as to other matters appearing in their official records or otherwise known to them as may be reasonably required to evidence the legality and marketability of the Certificates. All such certified copies, certificates and affidavits, including any heretofore furnished, shall be deemed to constitute representations and recitals of the District as to the correctness of all statements contained therein.

SECTION 13. CONTINUING DISCLOSURE. The following undertakings are assumed by the District with respect to the Certificates.

(a) Rule 15c2-12; Limited Exemption.

(i) Background. The SEC has promulgated amendments to Rule 15c2-12 under the Securities Exchange Act of 1934 (17 C.F.R. § 240.15c2-12) (as in effect and interpreted from time to time, the Rule) which govern the obligations of certain underwriters to require

that issuers of municipal securities enter into agreements for the benefit of holders of the municipal securities to provide continuing disclosure with respect to the securities.

(ii) Applicability of the Rule. This Board hereby finds, determines and declares that the Certificates are exempt from the application of paragraph (b)(5) of the Rule by reason of the exemption granted in paragraph (d)(3) thereof. The exemption from the Rule for the Certificates is conditioned upon the District agreeing to provide certain continuing disclosure as hereinafter provided.

(b) Purpose and Beneficiaries.

(i) Covenant. To provide for the public availability of certain information relating to the Certificates and the security therefor and to permit underwriters of the Certificates to comply with the Rule, which will enhance the marketability of the Certificates, the District hereby makes the covenants and agreements contained in this undertaking for the benefit of the Owners (as hereinafter defined) from time to time of the outstanding Certificates.

(ii) Enforcement of undertaking. If the District fails to comply with any provisions of this undertaking, any person aggrieved thereby, including the Owners of any outstanding Certificates, may take whatever action at law or in equity may appear necessary or appropriate to enforce performance and observance of any agreement or covenant contained in this undertaking. Direct, indirect, consequential and punitive damages shall not be recoverable for any default hereunder to the extent permitted by law. Notwithstanding anything to the contrary contained herein, in no event shall a default under this undertaking constitute a default under the Certificates or under any other provision of this resolution.

(iii) Definition of "Owner". As used in this undertaking, Owner or Certificateowner means, in respect of a Certificate, the registered owner or owners thereof appearing in the bond register maintained by the Registrar or any Beneficial Owner (as hereinafter defined) thereof, if such Beneficial Owner provides to the Registrar evidence of such beneficial ownership in form and substance reasonably satisfactory to the Registrar.

"Beneficial Owner" means, in respect of a Certificate, any person or entity which:

- (A) has the power, directly or indirectly, to vote or consent with respect to, or to dispose of ownership of, such Certificate (including persons or entities holding Certificates through nominees, depositories or other intermediaries), or
- (B) is treated as the owner of the Certificate for federal income tax purposes.

(c) Information To Be Disclosed. The District will provide, either directly or indirectly through an agent designated by the District, in a timely manner not to exceed 10 business days, to the Municipal Securities Rulemaking Board (the MSRB), in an electronic format as prescribed by the MSRB from time to time, notice of the occurrence of any of the following:

- (A) principal and interest payment delinquencies;
- (B) non-payment related defaults, if material;
- (C) unscheduled draws on debt service reserves reflecting financial difficulties;
- (D) unscheduled draws on credit enhancements reflecting financial difficulties;
- (E) substitution of credit or liquidity providers, or their failure to perform;
- (F) adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB), or other material notices or determinations with respect to the tax status of the security or other material events affecting the tax-exempt status of the security;
- (G) modifications to rights of security holders, if material;
- (H) certificate calls, if material and tender offers;
- (I) defeasances;
- (J) release, substitution, or sale of property securing repayment of the securities if material;
- (K) rating changes;
- (L) bankruptcy, insolvency, receivership, or similar event of the District;
- (M) consummation of a merger, consolidation, or acquisition involving the District or the sale of all or substantially all of the assets of the District, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material; and
- (N) appointment of a successor or additional trustee or the change of name of a trustee, if material;
- (O) incurrence of a financial obligation of the obligated person, if material, or agreement to covenants, events of default, remedies, priority rights, or other similar terms of a financial obligation of the obligated person, any of which affect security holders, if material; “financial obligation” means a (a) debt obligation; (b) derivative instrument entered into in connection with, or pledged as security or a source of payment for, an existing or planned debt obligation; or (c) guarantee of a debt obligation or any such derivative instrument; provided that “financial obligation” shall not include municipal securities as to which a final official statement (as defined in the Rule) has been provided to the MSRB consistent with the Rule; and
- (P) default, event of acceleration, termination event, modification of terms, or other similar events under the terms of a financial obligation of the obligated person, any of which reflect financial difficulties.

As used herein, for those events that must be reported if material, a Material Fact is a fact as to which a substantial likelihood exists that a reasonably prudent investor would attach importance thereto in deciding to buy, hold or sell a Certificate or, if not disclosed, would significantly alter the total information otherwise available to an investor from the Official Statement, information disclosed hereunder or information generally available to the public. Notwithstanding the foregoing sentence, a Material Fact is also an event that

would be deemed “material” for purposes of the purchase, holding or sale of a Certificate within the meaning of applicable federal securities laws, as interpreted at the time of discovery of the occurrence of the event.

For the purposes of the event identified in (L) hereinabove, the event is considered to occur when any of the following occur: the appointment of a receiver, fiscal agent or similar officer for an obligated person in a proceeding under the U.S. Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of the obligated person, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the obligated person.

For purposes of the events identified in paragraphs (O) and (P) above, the term “financial obligation” means (i) a debt obligation; (ii) a derivative instrument entered into in connection with, or pledged as security or a source of payment for, an existing or planned debt obligation; or (iii) a guarantee of (i) or (ii). The term “financial obligation” shall not include municipal securities as to which a final official statement has been provided to the MSRB consistent with the Rule.

(d) Term; Amendments and Interpretation.

(i) Term of this Undertaking; Termination. The covenants of the District in this undertaking shall remain in effect so long as any Certificates are outstanding. Notwithstanding the preceding sentence, however, the obligations of the District under this undertaking shall terminate and be without further effect as of any date on which the District delivers to the Registrar an opinion of Bond Counsel to the effect that, because of legislative action or final judicial or administrative actions or proceedings, the failure of the District to comply with the requirements of this undertaking will not cause participating underwriters in the primary offering of the Certificates to be in violation of the Rule or other applicable requirements of the Securities Exchange Act of 1934, as amended, or any statutes or laws successory thereto or amendatory thereof.

(ii) Amendments. This undertaking may be amended or supplemented by the District from time to time, without notice to or the consent of the Owners of any Certificates, by a resolution of this Board filed in the office of the recording officer of the District accompanied by an opinion of Bond Counsel, who may rely on certificates of the District and others and the opinion may be subject to customary qualifications, to the effect that:

(A) such amendment or supplement:

(1) is made in connection with a change in circumstances that arises from a change in law or regulation or a change in the identity, nature

or status of the District or the type of operations conducted by the District, or

(2) is required by, or better complies with, the provisions of paragraph (d)(3) of the Rule;

(B) this undertaking as so amended or supplemented would have complied with the requirements of paragraph (d)(3) of the Rule at the time of the primary offering of the Certificates, giving effect to any change in circumstances applicable under clause (a)(1) and assuming that the Rule as in effect and interpreted at the time of the amendment or supplement was in effect at the time of the primary offering; and

(C) such amendment or supplement does not materially impair the interests of the Certificateowners under the Rule.

(iii) Interpretation. This undertaking is entered into to comply with, and should be construed so as to satisfy the requirements of, paragraph (d)(3) of the Rule.

SECTION 14. STATE PAYMENT; DISTRICT AND REGISTRAR OBLIGATIONS.

The District hereby covenants and obligates itself to notify the Commissioner of Education (the Commissioner) of any potential default in the payment of the principal of or interest on the Certificates and to use the provisions of Minnesota Statutes, Section 126C.55 (the State Payment Law), to guarantee, to the extent permitted by Minnesota law, payment of the principal of and interest on the Certificates when due. The District further covenants to deposit with the Registrar not less than three business days prior to September 30, 2026, an amount sufficient to make that payment or to notify the Commissioner as provided in the State Payment Law that it will be unable to make all or a portion of such payment. The Registrar will notify the Commissioner if it becomes aware of a potential default in the payment of principal of and interest on the Certificates at maturity or, if on the date two business days prior to maturity, there are insufficient funds on deposit with the Registrar to pay the Certificates in full at maturity. The Registrar will cooperate with the District, the Commissioner and the Commissioner of Management and Budget in implementing the provisions of the State Payment Law. The District shall do all other things which may be necessary to perform the obligations hereby undertaken under the State Payment Law, including any requirements hereafter adopted by the Commissioner of Management and Budget or the Commissioner.
