Temple ISD 014909				
CRISIS INTERVENTION TRAUMA-INFORMED CARE (LI				FFBA (LEGAL)
Trauma-Informed Care Policy	A district shall adopt and implement a policy requiring the integra- tion of trauma-informed practices in each school environment. A district must include the policy in the district improvement plan re- quired under Education Code 11.252 [see BQ].			ent. A
	The policy must address:			
	1.		g resources developed by the Texas Education A A), methods for:	gency
		a.	Increasing staff and parent awareness of trauma formed care; and	a-in-
		b.	Implementation of trauma-informed practices an by district and campus staff; and	d care
	2.	 Available counseling options for students affected by trauma or grief. 		trauma
	Education Code 38.036(a)–(b)			
Training	The methods for increasing awareness and implementation of trauma-informed care must include training as provided below. The training must be provided:			
	1.	best	ugh a program selected from the list of recomme practice-based programs and research-based pr blished under Education Code 38.351;	
	2.		ccordance with the district professional developm see DMA]; and	ent pol-
	3.	•	art of any new employee orientation for all new d cators.	istrict
	The training must address how grief and trauma affect student learning and behavior and how evidence-based, grief-informed, and trauma-informed strategies support the academic success of students affected by grief and trauma. The training may include two or more listed topics together.			
	For any training under this provision, a district shall maintain rec- ords that include district staff members who participated in the training.			
	If a district determines that the district does not have sufficient re- sources to provide the training required under this provision, the district may partner with a community mental health organization to provide training that meets the requirements at no cost to the dis- trict.
